

Working with you to shape your future

Our services go beyond preparing annual accounts, we work with you as a trusted adviser, supporting you with business and personal challenges, and plan for the future.

We provide all the essential services that you'd expect from any good accountancy practice, but what makes the difference is we deliver these services the Nicholsons way.

Whatever size your business is, and whatever your future plans are, our expert teams are ready to help you.

Services available include:

- Accountancy
- Audit
- Bookkeeping
- Business Advice
- Corporate Finance
- Employment Law
- Human Resources
- Making Tax Digital
- Payroll
- Tax Services
- VAT
- Wealth Management

**Saving you time,
Understanding your finances,
Helping you grow.**

Accountancy

We'll crunch the numbers and provide recommendations to help you operate your business in the most tax-efficient and profitable way possible.

HR & Legal

Benefit from an expert human resources and legal team making it easier to navigate the world of employing and managing a workforce.

Tax

We cover all aspects of your tax needs, ensuring you operate in the most tax efficient way and help you overcome any complexities you and your business may face.

Wealth Management

Our team offers support and advice on all areas of your personal finances, so that you know you and your family's financial needs are well taken care of.

Audit

As well as evaluating your company's performance and financial health, we also assess the risks and opportunities available to you, to make a noticeable improvement to your business.

Corporate Finance

Whether it's raising finance, buying or selling a business or due diligence, we have the expertise and experience to help you make the right decisions and get the right deal on your terms.

Payroll

Cost-effective, accurate and hassle-free payroll. We'll make sure you're compliant with HMRC, and the ever-changing payroll legislation.

Bookkeeping

We'll manage your real-time cash position and financial accounts freeing up your time to focus on your business.

Cloud Accounting

We love finance technology, and can help you streamline and automate your business process, saving you time and money.
