More than just accountants

We drop the jargon, and promise you a different accountancy partnership.

Nicholsons aims to make accounting as easy as possible, as well as offering a range of financial planning and management services to businesses and individuals. We work with you as a trusted adviser, supporting you with business and personal challenges, and plan for the future.

Get **time** back,

save money,

smash your **goals**.

Accountancy

We'll crunch the numbers and provide recommendations to help you operate your business in the most tax-efficient and profitable way possible.

Audit

As well as evaluating your company's performance and financial health, we also assess risks and opportunities available to you, to make a noticeable improvement to your business.

Tax

We cover all aspects of your tax needs, ensuring you operate in the most tax efficient way and help you overcome any complexities you and your business may face.

Corporate Finance

Whether it's raising finance, buying or selling a business or due diligence, we have the expertise and experience to help you make the right decisions and get the right deal on your terms.

Wealth Management

Our team offers support and advice on all areas of your personal finances, so that you know you and your family's financial needs are well taken care of.

Human Resources

We can support you through HR events step by step or undertake all of your HR business needs for you. From policies and contracts to disciplinary, we've got you covered.

Employment Law

You can count on our experienced employment solicitors to help you navigate the most complex situations facing your business.

Bookkeeping

We'll manage your real-time cash position and financial accounts freeing up your time to focus on your business.

Payroll

Cost-effective, accurate and hassle-free payroll. We'll make sure you're compliant with HMRC, and the ever-changing payroll legislation.
